Attached you will find the initial protocol prepared the afternoon of June 4th, 2013 along with parties present for your review and additional input. I do not have a complete list of interested parties and some I included because I know you and saw you at the recent meeting June 3 and 4. Please forward this to other parties which you know are involved so that they may have the opportunity to participate. Much remains to be decided but we need to be prepared when the decisions are made.
